INFORMATION HUD.v5
PRODUCT INFORMATION BETWEEN
SECOND LIFE AND REAL LIFE.

This HUD provides links to information on the Artist's products both in Second Life (SL) and Real Life (RL). After passing the four-year mark of my project, I've just about got the parcels and my methods organized. Since most the links are URLs, the information and products will be fresh each time.

FEATURES

- Internal notecard and landmarks.
- URL links to web PDFs for latest information.
- URL links to SL and RL storefronts.
- A Free Coffee Mug with multiple textures.
- A teleport and info HUD for self-tours.

HUD & USE

This is a standalone HUD with basic scripts to do the following.

- Open URLs to links on the internet.
- Send a group join link to Nearby Chat
- Give copies of internal objects (notecard and landmark)
- No information is compromised for any of the links or transactions.

The Thunderchild.net site is hosted by GoDaddy.com and is a secured sited: https://thunderchild.net and links to documents and information there are all on the secured connection.

My main social media spot is Facebook and I'm not chatty at all. Just post when milestones are hit. Same for inworld group, Thunderchild Gallery Workshop. Quite network, just milestones. The sites for product companies include Second Life Marketplace for virtual world goods, Society6.com, RedBubble.com, and TeePublic.com for related and unrelated clothing matches to Second Life products.

You can wear or rez the HUD. If you wear it, it will be the small HUD in the center of the screen that is worn on Center 2 of the screen by default. You can move the HUD with editing tools and or wear it to a different screen location.

UNPACKING

CasperVend items come in a Mesh Crate and will probably show up in your Objects Folder. You'll need to rez or wear the delivery crate for it to open and copy to your inventory. The same crate is delivered by the SL Marketplace. It will go to your Received Items Folder.

ADDITIONAL INFORMATION

The TCGWS project homepage is https://thunderchild.net. There is a free product "Business & Artist Information" from the SL MP or CasperVend in-World. Contact AJ Leibengeist aka Thunderchild Allen inworld for questions or issues.

AVAILABILITY

Matching and similar Real-Life products are provided by on-line third-party on-demand companies. My goal is to match SL and RL products as much as possible. If there is a product from my SL shops that you'd like to have in Real Life, let me know!
