

Scrapbook Catalog Punky Rooster Large Sisal Rug Set V3.1

NOTE:

THE PERMISSIONS FOR THIS CATALOG IS COPY & TRANSFER SO YOU CAN SHARE.

The scrapbook catalogs preview the set of Punky Rooster rugs for the Large Sisal Rug sets. This product is available in Second Life and Real Life. This book previews both areas.

Second Life rugs have ten (10) textures accessed by menu. Touch the front of the rug to get the texture and resize menus. Both menus will appear on top of each other, so, move the top menu out of the way.

There are fifteen basic rug color schemes, Black, Brown, Burgundy, Burnt Orange, Deep Purple, Forrest Green, Grass Green, Gray Blue, Hunter Green, Lite Fuchsia, Lite Gray, Mauve, Prime Blue, Red Orange, and Violet. For each color there is a pattern with no rooster, one with a single rooster and one with multiple roosters. Textures are from inventory texture collections and artwork.

Real life rugs are available from online on -demand manufacturers and come in one color and pattern at a time. A selection of colors and patterns were chosen for real life products, but if you want one of the Second Life textures to be made available in RL, simply contact me with your choice.

UNPACKING

CasperVend items come in a Mesh Crate and will probably show up in your Objects Folder. You'll need to rez or wear the delivery crate for it to open and copy to your inventory. The same crate is delivered by the SL Marketplace. It will go to your Received Items

Folder. The front label on the crate has a menu to select the label, a blank, the TCGWS logo, and any information images for the product. The crate will open a menu to unpack when it is rezzed. After unpacking, it will offer to delete or cancel. Keep a copy of the create so you can always get the textures if you need them.
