

Scrapbook Punky Rooster Square Rug Sets

NOTE:

THE PERMISSIONS FOR THIS CATALOG IS COPY ONLY

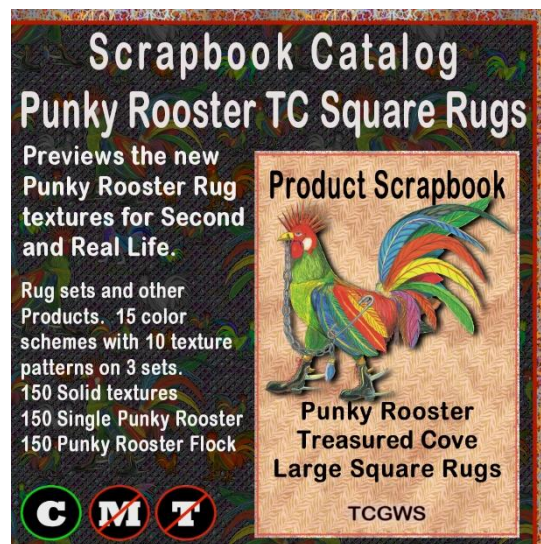

This scrapbook previews the sets of Punky Rooster rugs for the Treasured Cove Square Rug. This product is available in Second Life and Real-Life products are available at on-line storefronts. Grab the free INFO HUD for both lives, RLSL HUD LG TC SQR RUG.

This book previews both SL and RL products.

Second Life rugs have ten (10) textures accessed by menu. Touch the front of the rug to get the texture and resize menus. Both menus will appear on top of each other, so, move the top menu out of the way.

There are fifteen basic rug color schemes, Black, Brown, Burgundy, Burnt Orange, Deep Purple, Forrest Green, Grass Green, Gray Blue, Hunter Green, Lite Fuchsia, Lite Gray, Mauve, Prime Blue, Red Orange, and Violet. For each color there is a pattern with no rooster, one with a single rooster and one with multiple roosters. Textures are from inventory texture collections and artwork.

Real life rugs are available from online on-demand manufacturers and come in one color and pattern at a time. A selection of colors and patterns were chosen for real life products, but if you want one of the Second Life textures to be made available in RL, simply contact me with your choice.
